AN YOU MAY USE THE ZAP

The screenshot displays the Zapier interface. At the top, there are tabs for 'EXPLORE' and 'MY ZAPS', with 'EXPLORE' being the active tab. To the right of these tabs is a button labeled 'UPDATE APPS'. Below the tabs is a horizontal carousel of app icons: Trello, Gmail, Twitter, Facebook (which is highlighted with a blue border), and YouTube. Below the carousel, there is a section titled 'POPULAR ZAPS FOR FACEBOOK'. This section contains five cards, each representing a different Zap. The first card, 'Share new tweets to Facebook', is highlighted with an orange border and an orange arrow pointing to it. Each card shows the app icons for the trigger and action, a description of the Zap, and a 'USE THIS ZAP' button. At the bottom of the interface, there are navigation arrows and a pagination indicator '1 - 5 (of 25)'.
